With increasing online presence and the ease and availability of symptom checkers and general medical information; the risk of receiving complaints and malpractice claims are growing.

Underwritten by CGU, MediProtect's Day Hospital Medical Malpractice policy has been specifically designed to offer additional protection and exclusive benefits for DHA members. It is competitively positioned and builds on more than a decade of malpractice insurance experience.

THE COVER

The policy primarily provides cover for all CIVIL LIABILITIES, including Malpractice and those under Trade Practices and Fair Trading Legislation that arise from the conduct of an insured entity. In addition, the policy also provides an extensive range of automatic extensions such as:

Enquiries Costs	Covers legal costs associated with representation at enquiries
Claim Investigation Costs	Approved costs incurred in investigating an incident that may give rise to a claim. This is in addition to the policy limit (up to an amount equal to the policy limit)
Employment Practices Liability (EPL)	Will provide cover for claims brought against you for an employment related matter that you are legally obligated to pay
Free Legal Consultation	Up to 2 hours free legal consultation per policy period from pre-approved solicitors on any matters relating to Health Care Services
Defamation	Liability incurred to a third party as a result of unintentional defamation
Fraud & Dishonesty by Employees	Cover for theft and misappropriation of funds by employees. Depending on the circumstances, cover may also extend to Medicare Fraud
Court Attendance Costs	Between \$250 to \$500 per day if you or an employee has to physically attend court
Public Relations	Up to \$50,000 per policy period to retain the services of a PR consultant to design and implement an approved publicity campaign to mitigate reputational damage as a result of a claim
Fund Raising & Social Activities	Civil Liability arising from fund raising and social activities of any of your social clubs or committees
